About the Congress

The International Congress of Physical Education, Sports and Kinetotherapy (ICPESK) is a multidisciplinary scientific event which aims to provide empirical research, reviews and debates relating to sports science, physical education and kinetotherapy.

ICPESK intends to bring together researchers, academics, teachers, graduate and undergraduate students to share and approach both theoretical and practical knowledge about sports science, physical education, kinetotherapy and other related topics within a scientific environment.

ICPESK 2017 will be held in Bucharest, Romania, from 15 to 17 June, and will be hosted by the National University of Physical Education and Sports. All papers submitted will be peer reviewed and evaluated based on originality, content, appropriateness and relevance for the congress.

The 7th edition of the congress, ICPESK 2017, has the following sections: History, Philosophy, Anthropology, Psychology and Sociology, Sports and Performance, Physical Education and Teacher Training, Healthcare and Kinetotherapy, Management and Marketing in Physical Education, Sports and Kinetotherapy, Varia.

The issue of the **7th International Congress of Physical Education, Sports and Kinetotherapy (ICPESK)** will be published in the **European Proceedings of Social and Behavioral Sciences (EpSBS)** and will be sent for indexation in **Thomson Reuters ISI Web of Science**.

The papers accepted and presented at the 2016 International Congress of Physical Education, Sport and Kinetotherapy (ICPESK) were published, with permission of the authors, in *Discobolul – Physical Education, Sport and Kinetotherapy Journal* – volumes 44, 45, 46 / 2016 and 47 / 2017.

Discobolul Journal is indexed in the following databases: DOAJ, ERIH-PLUS, J-Gate, Journals Impact Factor, DAIJ, Index Copernicus, Eurasian Scientific Journal

Index, SCPIO, Scientific Indexing Service, Open Academic Journals Index, and Google Academic. The published articles score in the assessment grid of the National Council for Attestation of Academic Titles, Diploma and Certificates (CNATDCU) to Criterion 2, I6 – Articles published in foreign or Romanian journals with peer review and international editorial board.

The papers of the last edition, in 2015, were published in *European Proceedings of Social and Behavioral Sciences* (EpSBS), and currently they are indexed in **Thomson Reuters ISI Web of Science**.

The congress papers, editions 2013 and 2014, were indexed in the largest scientific database, ISI Web of Knowledge. In 2013, they were published in *Procedia Social and Behavioral Sciences* (Elsevier), and in 2014, in *Medimond International Proceedings*.

We would like to thank all participants in the congress for their valuable scientific contributions.

Best regards,

ICPESK Team
